STREET LIGHTING DISTRICT ANNEXATIONS – CITY OF CARSON (ITEM NO. 51, AGENDA OF APRIL 8, 2003)

With regard to the exchange of property tax revenues among the affected taxing entities in each of the proposed annexation areas, my office wishes to clarify that:

- (1) The annexation areas are located within a City of Carson community redevelopment project area (RPA) and, as such, County Lighting Maintenance District 1697 (District) will not receive the negotiated share of annual tax increment (ATI) until such time as the affected RPA is terminated for purposes of receiving ATI; and
- (2) The action of approving the Joint Resolution creating a share of ATI for the District is necessary to preserve the ability of the District to collect ATI in the proposed annexation areas upon termination of the RPA.

The levying of assessments in the proposed annexation areas is not affected by the presence of the RPA.

If you have any questions, please call me or your staff may contact my Deputy, Tom Alexander, at (626) 458-4012.
